MARYSVILLE, ideally situated in a prosperous and fertile smiling farmland area known as the "Peach Bowl of the World" produces more than half the world's annual crop of canned peaches and is the center of adjacent diversified farmlands valued at $75,000,000.

The largest gold dredgers in the world operate on the Yuba River near Marysville, where $100,000,000 in gold has been captured by this interesting method.
